Mr. Schoen:

Thank you for the opportunity to address your inquiry. This office contacted Ms. Debra Salter, Station Manager of the Spring Valley Post Office, 75240. Ms. Salter states they have no collection box information for 1998. In 2001, collections was centralized into one unit. I contacted Mr. Allen Wilson, Manager of Collections. They do not have any records for collection box times for 1998. If this office can be of further assistance, please contact Consumer Affairs and Claims at 972-393-6731.
